

# WEGA SPOTLIGHT

**Wega** spotlight is specifically designed for indoor applications, including wet areas. Its sleek, low-profile design combined with a modern aesthetic serves as both a practical lighting solution and a stylish enhancement to any space.

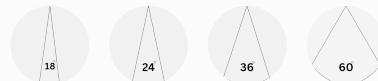

Advanced Optics Ensures a precise beam angle for optimal illumination in both residential and commercial spaces. Deep-seated optics minimize glare and produce eye-friendly lighting.

Equipped with high-quality LEDs, this spotlight provides bright and efficient light while keeping energy consumption low. Its robust construction and long lifespan make the **Wega** Spotlight a dependable choice for any lighting project, designed to endure over time.

## Applications

- Indoor Applications
- Residential Properties
- Educational Institutions (Schools & Colleges)
- Shopping Centers and Retail Stores
- Healthcare Facilities (Hospitals)
- Office Spaces
- Restaurants

## Technical Specification

Wattage:	12W
Light Source:	CREE
Lumens Output:	1080lm
CCT:	2700K
Input Voltage:	AC 220-240V 50-60Hz
Beam Angle:	60°
Power Factor:	>0.9
Color Rendering Index	CRI>90
McAdam:	Step 3-5
Ambient Temperature (Ta):	-40 to 45C
Ingress Protection:	IP54
LED Lifespan:	>50,000hrs

## Luminaire Specification

Installation type:	Recess-mount
Body Material:	Die-cast Aluminum
Product Dimension:	Ø85mm H:55.1mm
Cutout:	Ø75mm
Finish:	White
