

REGEL SPOTLIGHT

Regel Spotlight with Anti-Glare design safeguards your eyes from harsh glare, ensuring a comfortable lighting environment. It is perfect for spaces with low ceilings.

Available in two power options and six trim & reflector configurations, the single spotlight offers multiple setup possibilities.

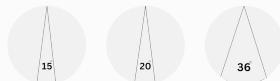

Whether you're aiming for a minimalist aesthetic or a more elaborate design, **Regel** spotlight provides the flexibility you need to tailor the ambience to your taste. Its sleek construction seamlessly blends into any space, while its efficient functionality ensures that every corner is lit with precision. Ideal for both residential and commercial settings, this spotlight not only enhances the visual appeal of your environment but also contributes to energy savings with its advanced LED technology. Embrace the perfect balance of style and practicality with the **Regel** Spotlight.
